The screenshot shows the IBM Cognos Analytics web application. The top navigation bar includes the IBM logo, the text "IBM Cognos Analytics with Watson", and a search bar. Below the navigation bar is a toolbar with various icons for navigation and actions. The main content area is divided into two sections: "Cards" on the left and "Details" on the right. The "Cards" section contains three cards: "Profit for State and R&D Spend", "State and Profit", and "Data relationships". The "State and Profit" card is selected, and its details are shown in the "Details" section. The details section displays a table with the following data:

State	Profit
California	106,711.75
Florida	121,863.26
New York	112,755.28
Summary	Processing...

The "Details" section also includes a 3D cube icon and the text "No details found" and "No details were found for this visualization."
